

Title of the Conference	
Code <small>assigned by DEMETRA Ce.Ri.Med.</small>	
Start date	
End date	
Venue City	
Address Venue	
Organized by	

Aims and Scope

Enter your Aims and Scope, max 1,400 characters (including spaces)

Peer Review Process

Mark the type of review process used by the Conference

double-blind
 single-blind or closed
 open

Conference fee

Enter the information on the Conference fee, both if it is required (in this case indicate how much it is) and if it is not

Deadline

Add the deadlines established by your Call for Abstracts or for Papers (in the following format dd/mm/yyyy)

Abstract Submission Deadline	[]	Notification of Abstract Acceptance	[]
Paper Submission Deadline	[]	Notification of Paper Acceptance	[]
Reviewed Paper Submission	[]	Publishing Date	[]

Manuscript submission

by website

Enter the Conference submission page []

by e-mail

Enter the Conference submission e-mail []

Call for Papers or for Abstracts

Enter the webpage where you can download the Call (without http:// or https://)

[]

Website

Enter the Conference webpage (without http:// or https://)

[]

Book of Proceedings

Enter the information on Book of Proceedings

Indexed by

Enter the databases in which the Book of Proceedings is indexed (acronyms only, not full names)

Publisher

Enter the Publisher of the Book of Proceedings

[]

Additional Notice from the Organizing Committee

Add any useful information or any extension of the submission deadline

Country

Add Editor's Country

[

]

Languages

Mark the languages in which the papers of the issues/volumes are published

English [] French [] Spanish []
Italian [] Portuguese [] German []
Others []

Topics

Mark the topics dealt with in the Journal

A

Adaptive Façade [] Architectural Renovation [] Art []
Archaeological Heritage [] Architectural Technology [] Artificial Intelligence []
Architectural Design [] Architectural Typology [] Artificial Materials []
Architectural Heritage [] Architecture [] Augmented Reality []

B

Big Data [] Biotechnology [] Business, Economics
Bio-based Materials [] Building [] & Management []
Biomimicry [] Building Technology []

C

Chemical & Co-Design [] Crafts, Design & Arts []
Material Sciences [] Communication [] Creative Design []
Circular Economy [] Complex Systems [] Criticism []
City [] Computer Graphics [] Cultural Heritage []
Civil Engineering [] Conservation []
Climate Change [] Conservation Process []

D

Design [] Digital Fabrication [] Digitalization []
Design Methodology [] Digital Modeling [] Drawing []
Design Theory [] Digital Project []
Development Economics [] Digital Technologies []

E

Ecology [] Environment [] Environmental
Economics [] Environmental & Sciences []
Energy Efficiency [] Geological Engineering [] Environmental
Energy Retrofit [] Environmental Design [] Sustainability []
Enjoyment []

F

Food Design []

G

Garden Design [] Generative Design [] Graphic Design []

Green Cities	[]	Green Mobility	[]	Green Public	
Green Infrastructures	[]	Green Product	[]	Procurement	[]
